440

2. The first of these is the
 fact that the system is not
 self-sufficient. It is dependent
 on the outside world for
 many of its needs. This is
 a serious weakness.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right. The names are: John Smith, James Brown, William Jones, and Thomas White. The dates are: 1810, 1811, 1812, and 1813. The list is followed by a signature, which appears to be "John Smith".

2. The second part of the paper discusses the impact of the 1997 Asian financial crisis on the Asian economies. The paper shows that the crisis has led to a sharp decline in the Asian economies, and that the impact has been particularly severe in the case of the Asian economies that are heavily dependent on exports. The paper also discusses the impact of the crisis on the Asian economies that are heavily dependent on imports.
